

CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

Mr. Gordon Gray
Director, Office of Defense Mobilization
Washington 25, D.C.

Dear Gordon:

In preparing to respond to your letter of January 21st, concerning your report to the President on the location of radio broadcasting facilities abroad, I have been told that the appendices to your memorandum contain serious omissions and debatable interpretations, which affect the findings and conclusions in the memorandum to the President.

I would suggest that the paper be submitted to the Radio Policy Committee, of which State Department is chairman, for its review and recommendations. This committee has been dealing quite successfully with U.S. international broadcasting problems, of which transmitter location questions are a part. I believe this committee's advice would be most helpful.

Sincerely,

ALLEN W. DULLES

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Letter to Mr. Gordon Gray

The original of the enclosed letter signed by the DCI was delivered to Mr. Gordon Gray at his request on 18 February, by Mr. Wisner. Mr. Gray stated that he welcomed the DCI's comments on his proposed memorandum to the President, and said that he would make the necessary changes in the memorandum to take care of the omissions and inaccuracies noted. It was agreed that reference to the Radio Broadcasting Policy Committee or to the OCB would be unnecessary.
